

American Beauty®

Ingredient profile

Our cake flour is a versatile product in your kitchen. This premium high-ratio cake flour carries the maximum levels of sugar and water, and is the right choice for desserts.

Item statement

Product milled from cleaned wheat of sound quality. This product shall be food grade and in compliance with the Federal Food, Drug and Cosmetic Act of 1938 as amended and applicable regulations thereunder. This is not a ready-to-eat product and must be thoroughly cooked before eating. Due to the nature of our products, we do not include microbial parameters as part of our product specification. Product is sifted prior to packing (bag) or loading (bulk).
