

Batter Mixes

BATTER MIXES

Ready to win over your customers with a mouth watering fried chicken sandwich, or crispy fish & chips? Ardent Mills' batter mixes provide a delicious, crispy coating for chicken, fish, seafood or vegetables! Bring out the best in your customers favourite foods with consistent performance, and the versatility to create thin, medium or thick coatings by simply adjusting the water content.

ARDENT MILLS BATTER MIX

- ♦ Best suited for applications where a thick, crispy crust is desired.
- ♦ Results in an appetizing, lightly golden finish.

40%

of Canadian consumers are ordering more comfort foods from restaurants than before the pandemic¹

ARDENT MILLS ALL PURPOSE BATTER MIX

- ♦ Best suited for applications where a thin, crisp crust is desired.
- ♦ Creates a sweet and tasty finished product with a dark golden brown finish.
